玉

FOR OVER 12 CENTURIES ASIAN TASTES AND ASIAN FLAVORS HAVE EVOLVED to the point of influencing the taste buds of the entire world. Mizkan continues that tradition as we offer our Asian product line of *honteri, shao xing, mirins, sake and rice vinegars* to our food manufacturers.

CONSIDER THESE TRENDS:

- Asian flavors are gaining more popularity in the U.S.
- The Asian market is growing — and looking for authenticity
- Asian food enjoys a healthy perception
- Our Nakano® consumer brand is experiencing robust growth in sales
- Our products are made in America, using authentic Japanese methods

For more details on our Asian product line, see the reverse of this sheet.
